

# DONOR INFO

## 1994

### Birth of the new South Africa... and Atterbury Property

Now one of South Africa's most successful property development and asset management companies, with successful operations in territories such as Netherlands, Romania, Serbia, Cyprus, Mauritius, Namibia and Mozambique.

## 1998

### Business unusual! Social transformation through Atterbury Trust

Shareholding in Atterbury Property since inception and mobilisation of strong business networks for public benefit through the charitable Trust and Foundation and collaboration with NPO and church networks.

# #WeCare

Sustainable, transparent action with tangible results

Education, community upliftment, food security, arts and culture

## Wide-ranging support that works

Signs of hope in South Africa today!

**MOI:** High school learners receiving comprehensive support – programme in 5th year

**Student bursary loans:** Tertiary education, work opportunities and mentorship

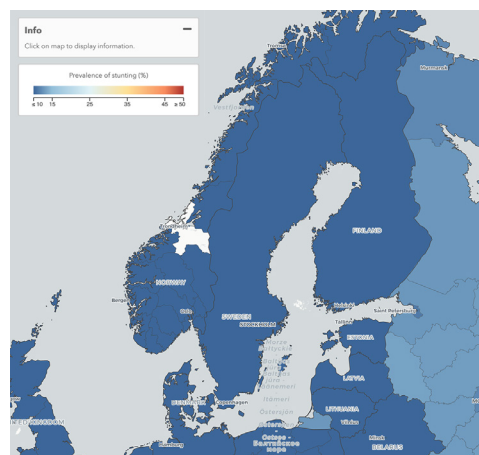

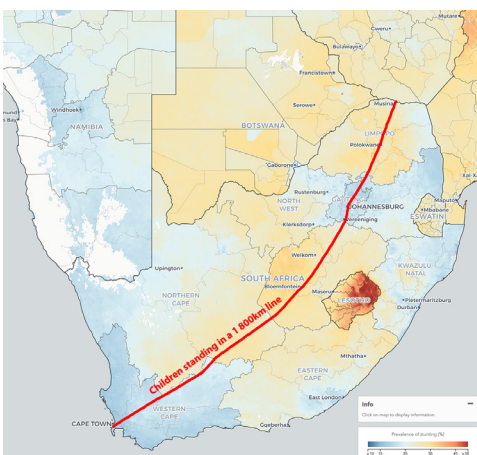

**Terugploeg (ploughing back):** Sustainable food security, meat processing and work opportunities

**INANI StartWell Foundation:** Provides prevention of childhood stunting with the supply of nutritious food at World Health standards

**Stunting, Under 5, Both, Mean, 2019**

**Silent Hunger = Stunted**

- 27%
- Over 1.8m children
- 3 out of every 10

Source: Institute for Health Metrics and Evaluation. University of Washington

**Triomf Clinic:** Health and wellness by mobilising medical volunteers in its 10th year

**Atterbury Theatre:** Cultural & Art support (music, theatre and more)

**Many ad hoc community projects**

# Sustainability

- Bursary loan schemes, not handouts
- Upliftment of impoverished communities through job opportunities
- Continuous actions that create and maintain a virtuous upward spiral
- Responsible management and continuous transparent reporting

# The power of partnerships

- Partnerships with business associates
- Collaborative CSI efforts – umbrella organisations and via reputable NPOs
- High quality network of cash donors
- Transparency and success leads to the unlocking of additional funding
- Responsible management and continuous transparent reporting

# Our robust funding feedback loop

Every donated cent is tracked and reported, with tangible actions that work the result

# At the Trust, hope is a verb

**WHAT ONE CHILD CAN DO IS CHANGE THE WORLD**

Please support the work of Atterbury Trust,  
**because we know you care too**
